

creative PSA CONTEST!

The Katie DeCubellis Memorial Foundation invites you to participate in a **Public Service Announcement Video Contest** on the topic:

DRIVING

RESPONSIBLY

The KDMF invites you to participate in its first annual Public Service Announcement Contest on the topic “**Driving Responsibly.**” The goal is to get the winning PSA on TV and social media to help raise awareness about driving responsibly.

Rules

Create a positive PSA that inspires motorists to drive responsibly. The rules are posted on the Katie DeCubellis Memorial website. Release forms, music and the KDMF logo can all be downloaded at www.kdmf.org. In order for the winning PSA to possibly air on TV it needs to be shot on a smart phone or other device that shoots in high definition.

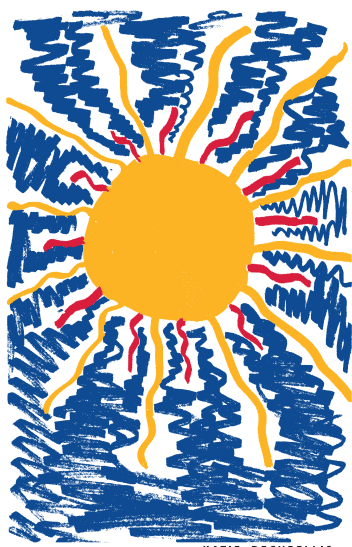

Important: The PSA must be exactly thirty seconds and should end with the KDMF logo available at the KDMF web site. For licensing reasons, if students are using music, they must use the music available at the KDMF website.
